

## **ATSC Corporation Announces Appointment of Vice President to IJIS Information Sharing Architecture Committee**

MCLEAN, VA – January 27, 2009, ATSC Corporation (“ATSC” or the “Company”) (OTCBB:ATCT), a leading information technology company that delivers innovative technology solutions to government and commercial organizations, today announced the appointment of Martin Gillespie, Vice President, Business Development to the IJIS Advisory Committee for the Information Sharing Architecture Committee (ISAC). This highly regarded committee provides advice and counsel to the Office of Justice Programs (OJP) and other national organizations on issues related to developing business and technical architectures for information sharing, one of ATSC’s major service offerings. The IJIS Institute is a nonprofit membership organization funded primarily through grants from the U.S. Department of Justice, the Bureau of Justice Assistance, and the U.S. Department of Homeland Security. For information on IJIS Institute committees, please visit: [http://ijis.org/\\_about/committees.html](http://ijis.org/_about/committees.html).

### **About ATSC Corporation**

ATSC is a leading provider of software and systems development, systems integration, infrastructure management and outsourcing, information sharing and consulting to the Department of Defense, Federal civilian agencies, public safety and national security customers, as well as commercial enterprises. Headquartered in McLean, Virginia, the Company has more than 600 employees at 12 locations across the country.

Any statements in this press release about future expectations, plans, and prospects for ATSC, including statements about the estimated value of the contract and work to be performed, and other statements containing the words “estimates,” “believes,” “anticipates,” “plans,” “expects,” “will,” and similar expressions, constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including: our dependence on our contracts with federal government agencies for the majority of our revenue, our dependence on our GSA schedule contracts and our position as a prime contractor on government-wide acquisition contracts to grow our business, and other factors discussed in our latest annual report on Form 10-K filed with the Securities and Exchange Commission on March 17, 2008, as amended on March 21, 2008 and April 4, 2008. In addition, the forward-looking statements included in this press release represent our views as of January 27, 2009. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing our views as of any date subsequent to January 27, 2009.
