

ATSC Corporation Announces Appointment of Senior Program Manager to Chairman, TechAmerica Public Sector, Intelligence Subcommittee

MCLEAN, VA —February 3, 2010, ATSC Corporation (“ATSC” or the “Company”) (NYSE Amex: ATSC), a leading information technology company that delivers innovative technology solutions to government and commercial organizations, today announced that Mel Hurley, Senior Program Manager, has been named Chairman of the TechAmerica Public Sector, Intelligence Subcommittee. This highly regarded subcommittee focuses on the specific needs of the Intelligence community, particularly on developments related to information sharing as a role of the Office of the National Director of National Intelligence (ONDI) and reform of the security clearance granting process. TechAmerica is the leading voice for the U.S. technology industry. For more information on TechAmerica, please visit: <http://www.techamerica.org/>

About ATSC Corporation

ATSC is a leading provider of software and systems development, systems integration, infrastructure management and outsourcing, information sharing, training and consulting to the Department of Defense, Federal civilian agencies, public safety and national security customers, as well as commercial enterprises. Headquartered in McLean, Virginia, the Company has more than 600 employees at 10 locations across the country.

Any statements in this press release about future expectations, plans, and prospects for ATSC, including statements about the estimated value of the contract and work to be performed, and other statements containing the words “estimates,” “believes,” “anticipates,” “plans,” “expects,” “will,” and similar expressions, constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including: our dependence on our contracts with federal government agencies for the majority of our revenue, our dependence on our GSA schedule contracts and our position as a prime contractor on government-wide acquisition contracts to grow our business, and other factors discussed in our latest annual report on Form 10-K filed with the Securities and Exchange Commission on March 16, 2009. In addition, the forward-looking statements included in this press release represent our views as of February 3, 2010. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing our views as of any date subsequent to February 3, 2010.
