

ATSC Corporation Announces New Contract Award Totaling \$13.7 million

MCLEAN, VA – (PRNEWswire) – June 10, 2010, ATSC Corporation (“ATSC” or the “Company”) (NYSE Amex: ATSC), a leading information technology company that delivers innovative technology solutions to government and commercial organizations, today announced that it has been awarded a new contract totaling \$13.7 million over a five-year term with the U.S. Department of Housing and Urban Development (HUD). Under this contract, ATSC will continue to provide application systems support for HUD’s Program Accounting System (PAS), Line of Credit Control System (LOCCS), and Bond Payment System.

ATSC Chairman and Chief Executive Officer Dr. Edward H. Bersoff commented: “ATSC has provided mission-critical software development and maintenance services to the Department of Housing and Urban Development for nearly 30 years. This new award exemplifies a long track record of re-compete wins for our company. More importantly, it is further testimony of the trust placed in ATSC as HUD continues to implement American Recovery and Reinvestment Act of 2009 mandates, several of which are made possible by systems that are maintained under this contract. We anticipate ongoing revenue at levels comparable to those of the predecessor contract.”
